Our training services

Whether you are looking for training for yourself or your staff, **Ascot Care Agency** offers you professional training services to keep your knowledge and experience up to date so that you can provide the highest standard of care.

To create the optimal learning experience, our one to one courses are flexible to each individual, allowing you to go at the right pace to suit your own style and needs and go over the learning content as often as needed.

Our courses can be carried out online or face to face at affordable prices, and are delivered by highly experienced, qualified trainers with a hands-on approach.

We can tailor our courses to include your business' own policies and procedures as well as the standard mandatory training.

We also offer free training for all Ascot Care members of staff, and for clients who use **Ascot Care Agency** as their exclusive agency provider.
